24 Feb 65 memo from John Malone to
Atty Gen'l Katzenbach

DDP 5-0728 Expc Registry 65-660/a

In response to 8 Feb 65 letter by
Katzenbach regarding security
controls on CIA correspondence furnished
to the WC

Each item of CIA correspondence was
carefully examined by WC attorneys, and
an agreement was reached w/CIA
as to what could be entered into public
record & what should be withheld under
rigid security controls. 3 criteria
used to make this determination

- evidential value of the info
- protection of sensitive sources
& methods of operation
- possible int'l ramifications,
since the bulk of the material
was acquired in foreign soil,
particularly in Mexico & USSR

"Our reps were instructed by me
to cooperate fully w/ the Pres's
Comm'n & to withhold nothing from
its scrutiny. These instructions were given
with the utmost latitude to downgrade

the significance of the material
accomplished a sort of paperizing
during a little good partial review.
I believe you will find that the material
was being handled, handled

DCI Materials Vol 2

30 January 1978

Mr. Evans

11111851

On 12 January we received a House Select Committee on Assassinations (HSCA) request for documents under a cover memo from OLC. OLC had assigned action to us on items #23, 30, 31, 34 and 35. In subsequent conversation w/ OLC I suggested that DDO be assigned the action on items 29, 30 and 34. OLC agreed.

Item #31 (Pat - assassination communication between former DCI Dulles and the CIA) is very broad since it covers all correspondence for the period

1963 ~~through early 1969~~ ~~when Dulles died~~

← I briefly reviewed those files and found nothing that appeared to be of interest to the HSCA. They do not contain a file on the Warren Commission.

The files do contain copies of correspondence between AWD and the Agency and therefore I have made

a brief summary of the files and attached it at Tab A. I then did a search of ER index for material in Executive Registry files either received from AWD or addressed to him for the same period. Copies of extracts of the material are included in Tab A.

On item #35 (Chapman for DCI/ Mr. Conrad appearance before the Warren Comm'n) I reviewed all

I reviewed the shelf list in the Dulles files in ER custody and identified those files that pertain to the 1963 - January 1969 period.

list on the McCone files in ER cabinets
and then recalled individual files
which fell into the 1963-1964 period.
The McCone files do not contain
a file on the Warren Comm'n. I
did not find any material concern-
ing preparation for DCI McCone's
appearance before the Comm'n. I
did find a transcript of a 12 May
1964 telephone conversation between
DCI/McCone & Mr. Rankin, General
Counsel for the Committee on Assassina-
tion asking the DCI to appear before
the Committee the following week. A
copy is attached at Tab-B. Also at
Tab-B are two miscellaneous memo-
randa which might be of interest.

I am told ... that OSC handled
the Agency contact w/ the Comm'n
so they would probably be the best
bet.

I have also reviewed the Executive
Registry files on the Warren
Comm'n and on the Garrison investi-
gation. They contain nothing on the
preparation of the DCI for his appearance
before the Commission. However, they
are available in ER if you wish to
see them.

she had met LHO when he was in
Mexico. She said she met him +
2 friends (Cubans) at the home of
~~the~~ Horacio (and Sylvia) Duran.

Mrs. Paz says she is absolutely sure
of this - and knows Oswald was at
the Dumar apt for a party at which
she was present.

Mrs. Paz told [Lickert / i] that she had come to the U.S. Embassy and had told an American official of this story about LHO. She said the US Embassy official said he was an official rep. of the WC. He also told her she should be afraid of June Cobb.

I asked [211HUFF/1] to get [Richard/1] to pursue the story of LHO & to continue to report on Paz & Cobb

Analysis Group
Subj: Docs relating to SIKARAS

In response to request Raymond
Reardon & Michael Schneberger
reviewed the 18 vols of Covert
Security file #262 622 relating
to custodial handling of Yuri
Nosenko. In addition to the 18
volumes, various unnumbered
files relating to site plans for the
various safe sites used in this
case and admin files relating to
expenses incurred & other miscellaneous
items were also reviewed.

As a result of reviews the attached
docs were located which make
mention of Nosenko's being deluged
concerning LHO. Add'lly, a 11 March
64 memo from District Free Office
CDFO was located giving a
summary of info which Nosenko
provided DFO personnel during
casual conversation. One of the
items in this memo is the lengthy
discussion of Nosenko's knowledge
of LHO.

Nosenko complained repeatedly
that he was being kept in the
dark. He said he had been
told he was a clerk.

above quote has unclear reference
to ~~the~~ which man is photographed.
Handwritten above: and who is man?

~~He~~ one time became very emotional
saying he was misunderstood, really
wants to remain in US.

Nosenko was questioned on:

- 1) why KGB did not do certain things such as run an investigation in LHO, check into his marine experience etc
- 2) why he had said at one time that LHO was a poor shot and on another occasion said he was a good marksman
- 3) on interrogatory & extent to which serves a KGB cover, KGB emergency war plans, & extent to which these plans were activated during Cuban missile crisis
- 4) processing of LHO visa (said was done in normal manner & that KGB had copy of visa application. Said Russian Embassy since 1960 have authority to issue visas in 3 to 5 days after application. Said LHO applied orally & later in writing for Sov citizenship. Copy of written request went to KGB. Copy of it was sent to Supreme Soviet after LHO declared his wishes. KGB studied reports prepared by Case officer KRUZNOF & decided LHO not normal, so of no interest to KGB & not desirable for Soviet citizenship. File sent to Minsk because LHO when he was to leave work.

5) Marina Ososka - KGB had info in Moscow only after she announced her intention to marry LHO. A record check [by KGB] showed she was not in Young Communist League because she did not pay her dues. After married LHO her pay was increased to impress the foreigner she married.

6) Besides Krugloff + Kosenko, Dubas + Musckov were the Moscow KGB agents who knew of LHO case prior to assass. Asst. Dept. Chief, Gornokov, + 5 other KGB case officers knew of the case after the assass.

7) Some of the Intermittent people LHO dealt with were KGB people.

8) LHO's case was not the same as other Americans in Russia because he was considered not known + was not considered a defector as were Martin + Mitchell.
